### Apple goes fizzy to join Izze juice

Welcome flavor No. 8 to the Izze Beverage Co.'s sparkling juices. Izze Sparking Apple joins the other flavors of pure, natural fruit juices with a splash of sparkling water — Blackberry, Blueberry, Clementine, Grapefruit, Lemon, Pear and Pomegranate. Izze juices are free of caffeine, preservatives, corn syrup and other refined sugars or artificial ingredients. Look for Izze juices sold in various sizes at Starbucks, Target and Cost Plus World Market stores as well as Costco, Market Square and Whole Foods markets. For more information, visit [www.izze.com](http://www.izze.com).
