On the Market

IZZIT IZZE? Looking for a blend of fruit juice and sparkling water? You might want to consider IZZE Fortified, a drink that has been formulated especially for schools by **IZZE Sparkling Juice**. It is enhanced with vitamins C and B6 and niacin to align it with recommendations from the Alliance for a Healthier Generation. Available in 8.4-oz. cans, it comes in five flavors: Apple, Blackberry, Clementine, Grapefruit and Pomegranate. This drink has none of the following: refined sugars, caffeine, preservatives or artificial flavors. For more information, visit www.izze.com or call (720) 872-3331.
